## Just Like Gold Coin.

For more than fifty years  
has PERRY DAVIS' PAIN  
KILLER stood the test  
against all remedies prepared  
to eradicate pain, and today  
stands at the head of the list  
among the medicines that are  
so essential to keep at hand in  
the home.

It is not a new fangle remedy  
nor do the proprietors lay  
claim to any wonderful revela-  
tion of the ingredients that en-  
ter into the manufacture of  
this ever popular remedy.

It is perfectly harmless, you  
need have no fear of becoming  
habitually inclined to its use.  
For Colic, Cramps, Dysen-  
tery, Colds, and all painful  
affections, a few doses will cer-  
tainly give relief. You cannot  
afford to be without a bottle  
in the house.

Your forefathers used it  
and found it beneficial.

Why experiment with some  
remedy that is new and its effect  
on the system unknown?

It has many rivals but no  
equal.

The new 35c. size con-  
tains over double the quantity  
of the 25c. size.

## SECRETARY ALGER'S ATTITUDE.

He Disprests the Publication of Cer-

tain Reports.

Washington, August 31.—It  
cannot be said that Secretary Al-  
ger is indifferent to the many  
sensational stories that are print-  
ed as to the conditions prevailing  
in the great military camps, for  
his first interest lies in the wel-  
fare of the individual troops. But  
he said today that, with a full  
knowledge of the lack of founda-  
tion for most of these stories, he  
depreciated such publications, not  
because of fear that the American  
people would be mistaken in their  
understanding of the actual facts,  
but rather from apprehension of  
the evil effect such publications  
would produce abroad. There  
the people who, with their full  
military training know just what  
hardships must be encountered  
by troops in a campaign, and es-  
pecially in military camps and  
maneuvers, would regard with  
amused surprise the innumerable  
complaints that are pouring forth  
upon the Government here upon  
pretexts that would be disregard-  
ed entirely in Europe, and they  
could scarcely fail to gain the  
impression that the American  
people are lacking in soldierly  
qualities.

Secretary Alger and Mrs. Alger  
paid a visit to Fort Myer last  
evening and inspected the arrange-  
ments at the hospital there for the  
treatment of the cases of fever  
from Camp Alger. These were  
found to be of the first order. The  
surgeons in charge are supplied  
with everything conducive to the  
comfort of the patients that money  
can buy.

It was a noticeable fact that  
many of the sick soldiers com-  
plained of hunger, and this in  
spite of the fact that they are  
given all the food that the nature  
of their ailments will permit. Few  
of the visitors to the army hospi-  
tal who see the typhoid patients,  
emaciated in appearance, calling  
for food, realize that to grant their  
desire for solid food would be to  
condemn the patients to death;  
that the immediate result of the  
administration of anything more  
than limited quantities of liquid  
food would cause perforation of  
the inflamed intestines, hemorri-  
age and death. Secretary Alger's  
attention has been strongly direct-  
ed toward this fact by the reports  
that come to him from the medical  
officers of the field and garrison  
hospitals.

## NEWS AND NOTES.

Lobner, the celebrated watch  
maker of Berlin, has perfected a  
mechanism capable of measuring  
and recording the thousandth  
part of a second. It is just what  
is needed in Honolulu to time  
boat and bicycle races.

The organization of an envelope  
trust was perfected in Boston  
late. It is the United States  
Envelope Company, and has a  
capital of several million dollars,  
including most of the envelope  
plants in this country. This is a  
trust that ought to stick.

An agitation was raised in  
England lately to have the house  
of Robert Louis Stevenson re-  
moved from Samoa to London. It  
has been learned, with more or  
less surprise, that the Vailima  
home cost \$15,000, and it is sug-  
gested that perhaps the room in  
which Stevenson is reported to  
have lived is offered the whole  
place for \$10,000.
